

A circular logo with a light grey background. At the top, the word "SELECT" is written in a simple, black, sans-serif font. A red brushstroke banner with the word "Fredrix" in a white, cursive script font cuts across the middle. Below the banner, the number "901SJ" is written in a bold, black, sans-serif font. The background of the entire page features a pattern of orange and red leaves on dark branches, overlaid on a light beige background with a faint, grey grid of squares and lines.

Whiteness	77.00 minimum
Brightness	80.00 minimum
L	90.00 minimum
a	0.00 nominal
b	0.00 nominal

This canvas is designed for digital printing applications using solvent based ink sets. Although designed for all printers using these ink sets, actual results may vary depending on printer model, age, print design, environmental conditions, and other factors. Exposure of a print to atmospheric pollutants, or to temperature, humidity, and / or lighting extremes can result in fading, color shifting, or other visual changes. The ideal conditions for printing and storage are a temperature of 70°F \pm 5°F and relative humidity of 50% RH \pm 3% RH.

Tara Materials guarantees only the canvas itself against defects in quality or workmanship. No other warranty is expressed or implied.
