

Sign Easy I 600 PLUS

Our popular trade solution for wide format laminating and mounting to 1600mm wide and 35mm thickness.

Incorporating an advanced product feed and rewind system for automated roll to roll finishing, this machine represents quality and simplicity at its best.

Including large diameter rollers with heat assist to 60C, the Sign Easy I 600 PLUS is the reliable option for affordable wide format print finishing.

Complete with heavy duty mobile stand and castors, the Sign Easy I 600 PLUS has improved one touch open and close rollers and a robust heavy duty roller system for mounting.

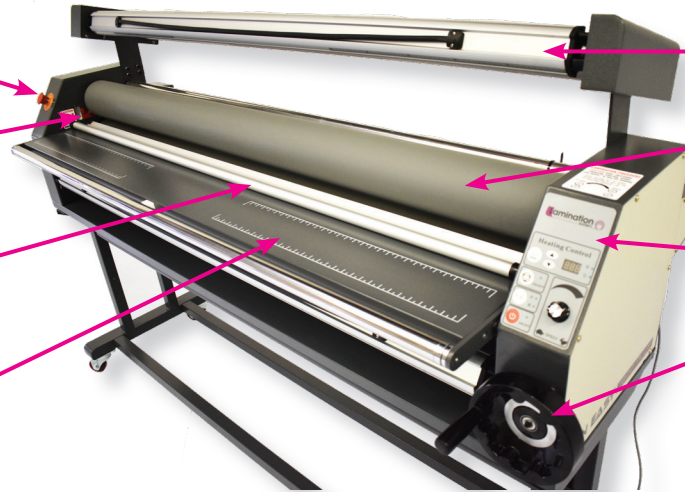

In addition to the heavy duty Sign Master range, and with over 400 units sold Australia wide, the Sign Easy is the industry's first choice in wide format finishing.

Emergency stop

Infrared safety cut out switch
