

3316 Creative Textured Paper 240 matt

ARTISTIC INKJET COATED PAPER · 100% COTTON · 240 G/M²

Premium matte inkjet paper with a subtle textured surface for fine art and photographic reproductions. Its 100% cotton, acid-free and OBA-free construction delivers natural white tones, a unique tactile presence and archival stability exceeding 100 years with pigmented inks.

APPLICATIONS

Refined Fine Art Reproductions

Museum-quality prints where a delicate texture adds depth and character, preserving intricate details and colour fidelity.

Distinctive Exhibition Photography

High-resolution prints with a sophisticated matte finish and a unique lightly textured feel — perfect for portfolios, galleries and premium presentations.

Expressive Artistic Portraiture

Nuanced skin tones and soft gradients with remarkable clarity and an added artistic dimension.

FEATURES

Matte & Lightly Textured

Non-reflective finish with a subtle texture enhancing visual depth, mimicking traditional art substrates.

Natural White — OBA-Free

No optical brightening agents; accurate colour reproduction and long-term tonal stability.

100+ Year Archival Rating

With HP Viverra®, Epson UltraChrome® or Canon Lucia® pigmented inks.

Instant-Dry & Water-Resistant

Immediate post-print stacking, framing and handling.

Superior Colour Gamut

Deep blacks, broad gamut and crisp micro-detail reproduction.

Acid-Free · pH ≈ 8

100% cotton base with no yellowing or degradation over time.
