

6885 Creative Smooth Bright White Cotton

320 matt

ARTISTIC INKJET COATED PAPER · 100% COTTON · 320 G/M²

Premium heavyweight matte inkjet paper with an exceptionally high white point and a velvety-smooth surface. Engineered for colour-critical fine art and photographic reproductions where vibrancy, detail and archival longevity are paramount.

APPLICATIONS

Vibrant Fine Art & Photo Reproductions
Digital fine art and photographic reproductions where colour accuracy and brilliance are paramount.

Dynamic Outdoor Scene Prints
High white point and colour rendering capabilities capture the vividness of outdoor landscapes and scenes.

Striking Portraiture
Exceptional clarity and detail for portraits, with skin tones popping against a bright, neutral background.

High-End Displays & Exhibitions
Substantial weight and stiffness ideal for mounting, laminating or custom framing for galleries.

FEATURES

Velvety Smooth Matte Coating
Luxurious non-reflective matte finish enhancing visual depth with a delightful haptic experience.

Brilliant High White Point
Elevated white point ensures vivid, true-to-life colours — especially beneficial for bright and colourful images.

Exceptional Lightfastness
Brightening process delivers minimal colour shift over decades of display.

Instant-Dry & Superior Colour Rendering
Immediate post-print handling; vibrant colours and dense rich blacks.

100% Cotton — Acid-Free
pH ≈ 8; guarantees long-term print stability and prevents yellowing or degradation.

High Stiffness for Processing
320 g/m² weight provides high stiffness — ideal for mounting, laminating or framing without buckling.
