# 6906 Non-woven design2wall GREEN 190 matt

## Premium coated non-woven wallpaper for solvent, latex, Resin, UV printers

### APPLICATIONS

- High quality non-woven wallpaper made from 100% recycled fibers and coated with a solvent, latex, Resin & UV ink receptive layer, which offers a good colour gamut and high scratch resistance. Due to the properties of this wallpaper, no additional protection is needed and it can be hung with standard non-woven wallpaper paste.

### FEATURES

- Non-woven made from 100% of recycled fibers (cellulose & synthetic fibers)
- Smooth surface with matt finishing
- For classic, vintage wallpaper style image and other artistic designs
- Easy to remove
- The coating and prints are water resistant – no liquid lamination required
- Very quick drying time - Wide gamut and high colour rendering
- High opacity for good covering - Covers small cracks
- High dimensional stability and wet strength resistance
- Can be applied with standard glue for non-woven wallpaper
- PVC-free - FSC certified

### PHYSICAL PROPERTIES

Grammage	Thickness	Whiteness (CIE)	CIE Values	Opacity
